

COVID-19 UPDATE

From Ashton Family Restaurant

WE ARE OPEN WITH INSIDE SEATING

To Our Valued Customers:

We find ourselves in unprecedented times. With the ongoing spread of COVID-19 (coronavirus) and the incredible speed at which things are changing around us, we are continually adapting our operations and business. Ashton Family Restaurant will be doing our part to stop the spread by following all recommended guidelines by the Virginia State Governor.

We are using carry out, curbside, Uber and DoorDash delivery to serve our customers. We are pleased to share that inside seating is once again permitted. Additionally, we have added outdoor patio seating. Regrettably we are still not able to offer our buffet but it will resume as soon as it is allowed.

Should you decide to come to the restaurant for carry out orders, we ask customers to limit to one person from your household. We are also honoring the recommended 6ft social distancing.

As always, our sanitizing procedures are top notch and we are doing our very best to keep our customers safe, healthy, & happy.

We will continue offering our services as long as there is no further mandate from the State of Virginia or the Federal government.

All of us at Ashton Family Restaurant appreciate your business and efforts to adhere to best business practices while trying to deal with this pandemic. Please stay safe!!! Contact us if you have any questions.
